Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicant brings to the attention of the Examiner the documents on the attached IDS Form PTO/SB/08. This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application.

Pursuant to 37 C.F.R. § 1.98(a)(2), copies of the listed U.S. Patents and U.S. Patent Application Publications are not enclosed. Applicant has not provided copies of the listed co-pending applications as they are available through the Image File Wrapper System; however, Applicant will gladly provide copies should the Examiner request them. Copies of the listed foreign and non-patent literature documents are attached

and abstracts or translations are attached for the non-English language documents. Applicant respectfully requests that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached Form PTO IDS/SB/08.

If the Examiner applies any of the documents as prior art against any claim in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.
